

Russia's leading Worship leader is American!

To Russia with Love

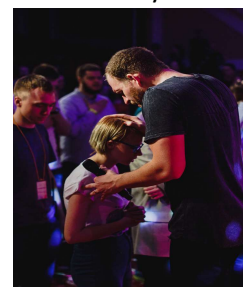

It's seem unbelievable that an American could be on the forefront of Russia's worship and youth revival movement! Considering what is in the news and current political climate and lack of knowledge about Russia. Here is the good news: Today's evangelical Russian church is thriving and a generation that was reached with the gospel in the 1990s are now leaders of a revival that is sweeping Eastern Europe.

Philip Renner, American missionary, worship leader, speaker, revivalist, award-winning recording artist, songwriter leads Renner Worship and Renner Worship Music. With offices in Tulsa, OK, Nashville, TN, and Moscow, Russia, Phillip is part of a thriving missions and music ministry in former U.S.S.R and now U.S.

Renner Worship new project "Anthology: Songs for Revival" and anthem **"We Cry Out"** was birthed out of this worship missions calling of revival. Philip is the first national Russian language touring worship artist, teaching youth and churches how to create their own original worship in their church and city with a foundation of fasting and prayer. It is a unique calling for an American to be considered the "father of the modern worship movement in Russia and neighboring countries".

The seeds of this worship movement started 25 years ago, when Philip age 6 and the Renner family which includes his father and mother, Rick and Denise, brothers Paul and Joel, answered the call to missions during a very perilous time in former U.S.S.R. The family moved from Tulsa, OK to Russia where they planted "Moscow Good News Church" now a thriving congregation of 4000 in the heart of Moscow. Philip served for over 7 years as youth pastor for the church with his father, acclaimed Greek teacher, lead Pastor, and author, Rick Renner (*Sparkling Gems 1 and 2, Dressed to Kill, 700 Club, Joyce Meyer.*)

Philip started his music career as a songwriter for EuroVison and MTV pop and rock stars. During this time, Philip was offered a major recording contract, but felt a call to launch his ministry full time in 2013 to lead and teach worship, prayer and fasting. This resulted in hundreds of bookings, camps, conferences, festivals and tours of Armenia, Belarus, Cypress, Georgia, Kazakhstan, Ukraine, Russia, and the United States from 2014 to present Philip has averaged over 70,000 miles traveling.

Philip Renner will appear on TBN Praise The Lord with host Jason Crabb, to make his national tv debut to share his music and missions story. Air date is set for November 18th in US (*check your local listing*). Renner Worship released their first US single in July to Hot AC, CHR, Worship radio with “We Cry Out” (*Take Me To Your Mountain*) as a revival cry for the world. Philip has shared the stage with The Afters, Love & The Outcome, Misty Edwards, Travis Ryan. Led worship at Victory Christian in Tulsa, Eagle Mountain International Church in Texas, and speaker with Rick Pino at “Presence Worship Conference”. His media appearances include God TV / Radio Europe, Lesea TV Harvest Show, Moody Radio Nashville, Racman Christian Radio and CPOP Christian Network. Renner Worship had a successful tour of Russia, returning to US to record and do select dates in Nashville, Tulsa, Dallas and NY.
